Gentlemen:-

I have received the coins by express and I herewith
enclose you money order for \$14.25.

Of the two lots sent on approval I find but one coin that I
care to keep. They are not in the condition that I desire them
and those I now carry in my set are very much better than those
submitted. Thanking you for your courtesy in sending to me on
approval and without advance payment, I am,

Very truly yours,

Enclosure.
